

Tenant User Liability Insurance Program (TULIP)

Are You Planning an Event at the Riverside Hotel?

- TULIP ensures you are protected from liability for injuries and damage that may occur at your event or activity.
- Without TULIP, you may be personally responsible for paying claims for bodily injury or property damage during your event or activity.
- Riverside Hotel has made TULIP coverage available for purchase through a group program to reduce the cost to you.

What events are covered?

The TULIP Program covers a broad range of events including:

- Weddings
- Celebrations
- Charity Events
- Meetings
- Festivals
- Fashion Shows
- Pageants
- Trade Shows
- and many more...

Why purchase it?

- Individuals and groups are often unaware that they can be held legally and financially responsible for injury, accidents and property damage resulting from their event. TULIP's keep everyone protected.
- Your homeowner's insurance may cover some situations, but it may be limited and not all claims will be covered.

What's the cost?

Pricing typically ranges from **\$75-\$150** per event:

- Premium costs are based on event type, length, number of participants and other risk factors.
- Coverage for **Liquor Liability** is available
- Vendors and exhibitors can also be added at an additional charge ranging from \$35-\$70 per exhibitor per day.

How does it work?

5 easy steps for the User:

1. Visit: Riversidehotel.com and under special events look for the insurance link
2. Click on the "Apply Now" button.
3. Complete the online application.
4. Purchase coverage immediately with a major credit card.
5. Proof of coverage is emailed to the user and the hotel within minutes.
